#### **Registration**

This course is FREE but registration is required. To register, or cancel an existing registration, contact Nancy Rebarchik at [nrebarchik@dbstephens.com](mailto:nrebarchik@dbstephens.com) or (505) 353-9013. Your email request needs to **include** your NM Operator ID #, valid phone, and email address.

A minimum number of participants are required for the class to move forward as scheduled. If the minimum is not met by the Thursday before the classes are to begin, the classes will be cancelled and registrants notified.

#### **Topic Description**

This session builds on Tuesday's basic information in the areas of distribution system management, operation and maintenance of pumps and motors, and how groundwater hydrology influences the design and operation of water supply wells.

The New Mexico Environmental department (NMED) has contracted with Daniel B. Stephens & Associates, Inc. (DBS&A) to provide this FREE training to operators and board members. Participants will receive 6.0 training credits for attendance.
