Registration

This course is FREE but registration is required. To register, or cancel an existing registration, contact Nancy Rebarchik at nrebarchik@dbstephens.com or (505) 353-9013. Your email request needs to **include** your NM Operator ID #, valid phone, and email address.

A minimum number of participants are required for the class to move forward as scheduled. If the minimum is not met by the Thursday before the classes are to begin, the classes will be cancelled and registrants notified.

Topic Description

This session will use operator math practice problems to reinforce the concepts discussed in each topic area discussed on Tuesday and Wednesday of this week.

The New Mexico Environmental department (NMED) has contracted with Daniel B. Stephens & Associates, Inc. (DBS&A) to provide this FREE training to operators and board members. Participants will receive 6.0 training credits for attendance.
