Registration

This course is FREE but registration is required. To register, or cancel an existing registration, contact Nancy Rebarchik at nrebarchik@dbstephens.com or (505) 353-9013. Your email request needs to **include** your NM Operator ID #, valid phone, and email address.

A minimum number of participants are required for the class to move forward as scheduled. If the minimum is not met by the Thursday before the classes are to begin, the classes will be cancelled and registrants notified.

Topic Description

This training is suitable to all operators who want an introduction to, or review of, the basics of drinking water system operations, including Safe Drinking Water Act regulations. These topics also provide important basic information for those new to the field.

The New Mexico Environmental department (NMED) has contracted with Daniel B. Stephens & Associates, Inc. (DBS&A) to provide this FREE training to operators and board members. Participants will receive 6.0 training credits for attendance.
