Registration

Registration is required for all fee-based training. The cost is $125.00 per person, per day. Click **here** to register.

A minimum number of 10 pre-paid registrants are required for the class to move forward as scheduled. If the minimum is not met by the Thursday before the classes are to begin, the classes will be canceled and registrants notified and refunded.

Who Should Attend

This training is suitable for attendees of different levels.

Topic Description

This training will cover topics related to the Revised Total Coliform rule, assessments and preparation of sampling plans. This class is not designed to qualify non-operators to conduct Level 1 and Level 2 assessments under RTCR; however it builds on the curriculum for Water Sampler Technicians.
